The Works Floor & Wall are true Specialists. Everyone here, from helpful sales assistants to the expert in-house installers are ready to help you with your project.

IT'S SUMMER TIME! And thanks to this challenging economy it is a perfect time to refresh or remodel that kitchen or bath, to replace that worn out carpet or to enhance your patio and turn it into that relaxing mini get-away-spot! **Now is the perfect time to take advantage of our great deals.**

For over 30 years we have provided the Coachella Valley with traditional products like Carpet, Tile, Stone, Vinyl and Wood but we also handle more

contemporary materials like Quartzite, Terrazzo, Concrete-coatings, Epoxy and Stains, EVERYTHING for your home or office.

Shopping in our new showroom is easy. We are a full service flooring center, where you can pick your materials and plan your design, be it a small bathroom or a project like the Palm Springs Aerial Tramway; custom, residential or commercial. **"Any job, big or small, we do it all!"**

Installation? No problem! We are licensed, bonded and insured. In fact we started as an installation service company and most of our in-house installers have been with us for just as

long. We guarantee that your project **will get done and done RIGHT!**

We do it all. You name it: Floors, Walls, Countertops, Showers, Fireplace or Patios. We take our work seriously and we are very good. If you're looking for something new or just looking to sand and refinish that old wood floor, Call for your **Free Estimate.**

As a family owned business we take great pride in being Red Blooded Americans. We live, work and play here in our Coachella valley and we love being a part of the community. **So...Have a Happy 4th of July and a great INDEPENDENCE DAY!**
